Dear Mr. Alan Parry,

Thank you for your generous support of **R14,640.00** towards the development of Oliver's Village. We are extremely thankful for community minded individuals and organizations who believe in giving back to the community, and assisting those less fortunate.

Oliver's Village strives to assist and support its beneficiaries in as many social service areas as possible, from our children in the pre-school, youth in our education centre, to the elderly and vulnerable in our soup kitchen.

Oliver's Village Services:

Soup Kitchen We serve an average of 250 - 300 beneficiaries from the surrounding community per day from our soup kitchen, of which 200 are mostly school going children.

Computer Centre Our computer centre consists of 3 classrooms which accommodates a 180 students attending MICTSeta accredited computer courses in Microsoft Office.

Agricultural College Our Agricultural college offers accredited AGRISeta courses in Poultry Production, Horticulture and Plant Production.

Community Vegetable Garden At our community vegetable garden we train members of the community in maintaining their own vegetable gardens in order to insure food security.

Oliver's House is a Section 18A approved Public Benefit Organisation and any donation to our organisation is tax deductible. Please retain the tax certificate that accompanies this document for tax purposes.

Thank you again for your compassionate support. We hope that you will continue to partner with us in our commitment to inspire the disadvantaged by providing a caring and stimulating environment.
